JUNIOR CLASS

THE Junior Class of 1927-28 started out the year with a few over two hundred members, but before the year ended the enrollment rose to two hundred and fifteen.

At the first meeting the following officers were elected: President, James Ottaway; Vice-President, Lucy Wadsworth; Secretary, Ben West; Treasurer, Wilbur Arnold; Advisors, Miss Bice and Mr. Springer.

A party was given in the latter part of March for the Senior Class. This was the only social event for the class during the year.

PRESIDENT'S MESSAGE

Now that the class year is over it is only natural to look back and see what has been accomplished.

There was excellent spirit at the class meetings and when the class had an actual business meeting, the majority of the members were interested and helped to make the meeting a success.

Perhaps there are many things that a class could do, but when one looks back over what has been done the achievements seem to be few.

After a struggle, (but money never is collected without one), most of the dues for the year were collected. At least enough was paid in so that the Junior-Senior party could be held and there was enough left to pay for the pictures in the student.

May the class support its officers next year as well as it has this year, and may the Senior class of 1929 accomplish all that it sets out to do.

JAMES OTTAWAY, Class President.

ON a sunny morning in September, the Sophomore Class assembled for the first time. Everyone was all a-tremble for this was the day when officers were to be elected. The result was—well, just look at the picture above! It was a great honor to be president of this class because the members were always so prompt in paying their dues.

Shortly after our entrance into these classic halls of learning, the dignified Seniors entertained us at Washington Junior High School. Thank you, Class of '28, we had a lovely time.

Enough of this, we must now pause and consider next year. Is it going to be the same successful year that this has been? Of course! Did someone ask me how I knew? Because it will be the same class, the Class of '30.

Frivolously but sincerely,

FRED GEORGE,

President of Class of '30.

FOOTBALL

THE nineteen twenty-seven football season started very slowly and disastrously, but before the end of the season the Red-Whites hit their stride, and won their last four games, including the famous "Mount Clemens Battle." Coach Gerke was greatly handicapped because there were very few veterans left for the team and he had to build practically an entire new eleven. Port Huron grabbed second place in the Southeastern League. River Rouge, the champions of the league, defeated Port Huron seven to nothing.

RIVER ROUGE 7—PORT HURON 0

River Rouge was the first opponent for the Red-White Eleven at that city on September 23. Before the battle was over, River Rouge had managed to make one touch down, and the extra point, for a total of seven.

PORT HURON 4—ROYAL OAK 0

Playing in a sea of mud and during the last half in a downpour of rain, the Huronites defeated the powerful Royal Oak Eleven, 4 to 0, October 1, at Athletic field. The Port Huron line really won the game, for they forced the Royal Oak team behind their own goal line twice, and thus made two safeties, for four points. Morrison, an all-state fullback and Royal Oak's best backfield, was stopped "dead in his tracks" by the Huronites.

BAY CITY 6—PORT HURON 0

Travelling for the second time of the season, this time to Bay City, on October 8, the Wolves handed the Huronites a 6 to 0 defeat, by a touchdown that was scored in the last five minutes of play. Port Huron advanced the ball into the Bay City scoring area several times, but did not put it over.

PORT HURON 0—PONTIAC 25

Port Huron received its greatest defeat of the season at the hands of Pontiac 25 to 0. The Huronites dedicated the new Pontiac field, and the score

was as Pontiac would wish for a dedication. Had the Red-Whites been in better form, they might have given a much better battle and kept the score down.

LANSING 21—PORT HURON 0

Lansing journeyed to Port Huron on October 22 and earned a well deserved 21 to 0 victory. The Red-White line played an excellent game, but three fumbles gave Lansing its three touchdowns.

PORT HURON 8—MONROE 7

October 29th, the Huronites played Monroe at that city and won the game 8 to 7. The Gerkemen threatened Monroe's goal-line often, but seemed to lack the necessary punch to put the ball over. This was the second victory for Port Huron and marked the turn of the tide from a very disastrous to a fair season.

PORT HURON 12—MT. CLEMENS 7

Contrary to all predictions, and even to Coach Olsen's idea that he would whip Port Huron 30 to 0 at least, the Red-White eleven so surprised the Bathers that they secured a 12 to 7 victory, November 11, at Athletic Field, South Park. Over a thousand people attended this game, the high spot in the season's schedule.

PORT HURON 20—WYANDOTTE 0

Wyandotte was the next victim for the Huronites, November 18, at Athletic Field, South Park. The Gerkemen easily won a 20 to 0 victory which gave Port Huron second place in the Southeastern League.

PORT HURON 6—RICHMOND 0

The annual Turkey-day struggle with Richmond took place at that city November 24th, and proved a victory for Port Huron 6 to 0. A touchdown was scored early in the second quarter. The Red-Whites then played a safe game and let O'Dell kick soon after they got the ball each time.

BASKETBALL

PORT HURON High School had the most successful year of basketball in its history during the 1927-28 season.

Coached by Ernest Gerke, and captained by Carl Steinborn, the team was under very capable management as is illustrated by the showing that the team made.

At the Jackson Regional Tournament the Red-White five was runner-up for the championship. This second place gave them the right to go to the Final State Tournament at Detroit, where the squad went to the Semi-Finals, the farthest that any Port Huron Basketball Team had gone.

Harold Dean, a Junior, won a position on the All-State Basketball Team as guard, and Louis Buntrock was placed on the second squad at the forward position. This was the first time that players from Port Huron had won places on All-State Fives.

Carl Steinborn was the first captain in seven years to lead a team in victory against Mount Clemens. In the semi-finals of the Jackson Tournament, Steinborn led the Red-White Five to a smashing victory over the Bathers, 32 to 19.

Harry Wismer was high point man on the Huronite squad, totaling 135. Steinborn was a close second with 117, and Buntrock followed with 65.

The following players graduated: Steinborn, Buntrock, Judson, Marshall, Hathaway, Schieman, and Montgomery.

TRACK TEAM

OUR Track team this year looks like the best squad produced in the history of our school. Indoor track was inaugurated for the first time by entering the Indoor Track Carnival at the U. of M. and the invitational meet at Fordson. Outdoor meets were started April 25 in a dual meet at Yale. Eight days later we encountered our old rival, Mt. Clemens. Several other meets were attended at: Kalamazoo, Bay City, Lansing, Ann Arbor and Ypsilanti.

Several outstanding men were developed this year. Relkin, our high jumper started off at the indoor meet at Ann Arbor by leaping six feet and taking a first. He was the first Port Huron track man to place in one of the largest meets in the country. Throughout the season Coach Gerke could rely on Jerry for at least eight points in any meet. He also did the high hurdle in good time and also was a substitute on our relay team. "Gene" Judson developed in great style also. He has become a hurdler of note in the southeastern league, setting a new record at Ypsi of 27:9 in the 220 low hurdle. "Ele" Wonderlic, the sprinter of our team gained many points for us this season. He set the record in the 100 yard dash for 10:2 seconds in the southeastern league last year. O'Dell, the pole vaulter and sprinter showed up very well. Montgomery was the surprise of the year. Under careful training of Relkin he leaped almost as high as his tutor. "Tommy" Monroe, another 440 man made Monty move all the time. Several times they were fighting alone for the honors, excluding other contestants. Our milers were going good also this year led by Nelson Dunn. The team as a whole was not well balanced, lacking weight men. However the showing made was remarkable for a school which has no track and little equipment.

BASEBALL

WITH a schedule of thirteen games, seven of which are played at Port Huron, baseball fans in this city should be pleased with the high school program.

St. Clair starts the season for the Red-Whites at Athletic Field, South Park, on April 13. The next home game is the twenty-eighth of the same month with Detroit Southeastern. May 5, Royal Oak travels to Port Huron, the twelfth Fordson, the nineteenth Yale, and the twenty-sixth Richmond. The only game scheduled in June is Ferndale, a home game.

During the month of May the Red-Whites will play a total of nine games. Most of them come in two game series, on successive days, which are Fridays and Saturdays.

Coach "Sod" French has a veteran battery to form his baseball team this year. O'Dell, pitcher of last year, will probably occupy the pitcher's box, and Steinborn, a veteran from 1927, will probably catch.

White, a 1927 recruit, may alternate with O'Dell, now that Marshall has graduated. Dean will be back again to hold down the third base, and O'Brien will be on hand for shortstop. Miller and Frank Woodward are 1927 outfield players.

Bill Woodward and Lloyd will probably break into the line-up before the season is over, and Caesar, Alexander and Campbell probably will figure too.

Considering the material from last year Port Huron ought to sport a good ball club.

The following is the schedule:

April 13—St. Clair—Home	May 11—Richmond—Away
April 27—Yale—Away	May 12—Fordson—Home
April 28—Detroit Southeastern— Home	May 18—Wyandotte—Away
May 4—St. Mary's—Orchard Lake—Home	May 19—Yale—Home
May 5—Royal Oak—Home	May 23—St. Clair—Away
	May 25—Birmingham—Away
	May 26—Richmond—Home
	June 1—Ferndale—Home

Much credit is due to Florence Browning for her excellent work as art editor. Clare Beatty, business manager was very successful in financing the publication of the Student. Louise Moffett, editor of the 1928 Student, had the cooperation of the entire staff and is well satisfied with the work done.

BOYS' HI-Y

THE Boys' Hi-Y Club consists of thirty-five boys, mainly Seniors and Juniors who meet at the Y. M. C. A. every Tuesday evening throughout the school year for dinner. The purpose of the club is "to create, maintain and extend in the school and community high standards of Christian character." The Hi-Y is not a local club by any means. Hi-Y's are found in all large cities throughout the United States and in many other countries of the world.

The program of meetings is arranged for the semester by a committee. The usual order of arrangement is speaker, discussion and social. At the speaker meeting an out of town speaker is usually provided. At the discussion meeting questions of vital importance to the High School boy are discussed openly. At the social meeting, music and other entertainment is provided for the amusement of the members.

At the first meeting in September election of officers took place. They were as follows:

<i>President</i>	-	CHARLES VROMAN	<i>Secretary</i>	-	HARMON STEVENS
<i>Vice-President</i>		CARL STEINBORN	<i>Treasurer</i>	-	ROBERT BAKER

Dean Davis was appointed Sergeant-at-Arms. At the mid term election the same officers were re-elected.

The first meeting in October was a Father and Son Banquet. A great many new members were taken in at this time. A small Halloween party including only the club members and their guests was given October 31. It was a success and all the members enjoyed themselves by dancing. The club had a joint social meeting with the Girls' Hi-Y Clubs in November.

The good work of the club is in a great measure due to the efforts of Mr. Cochrane, secretary of the Y. M. C. A.

SENIOR GIRLS' HI-Y

THE Senior Girls' Hi-Y was created with the idea of "maintaining and extending throughout the community Christian standards of living." A great deal has been accomplished during the year by this Club under the supervision of Mrs. Ralph Cochrane. Officers for the year were:

<i>President</i>	-	-	-	-	-	-	PEARL AVERY
<i>Vice-President</i>	-	-	-	-	-	-	MARGARET KENDRICK
<i>Secretary</i>	-	-	-	-	-	-	KATHERINE LUZ

Hi-Y meetings are held once a week on Wednesday nights at the Y. M. C. A. Entertainment for the evening varies. For some meetings a speaker is procured, a discussion on topics of current issue is held, at others a simple musical program is given by the members.

It was decided by the girls in this Club, in order to express their appreciation for the use of the Y. M. C. A. building for their meetings, to do their bit in erecting the new building. A series of coffees, was given, the first one at Mrs. Cochrane's house in January, and the money realized from these was given to the fund for the building.

A Mothers' and Daughters' Banquet was held February 11 in the Y when the Mothers of the girls were entertained. Decorations in keeping with St. Valentine's day made the dining room and tables very attractive. Mrs. E. J. Ottaway gave a very interesting speech on this occasion and the evening was judged a success by all.

A party was given February 18 in the Y gym. The four girls' Clubs united for this event. The Merry-makers provided music for dancing and serpentine added much to the enjoyment of the evening.

As the last event in the year's program, a Father and Daughter banquet was given which proved an enjoyable way of concluding a successful year.

SOPHOMORE GIRLS' HI-Y

<i>President</i>	-	-	-	-	-	FRIEDA SCHMUDE
<i>Secretary</i>	-	-	-	-	-	ALMA NICHOLS
<i>Treasurer</i>	-	-	-	-	-	MARIE BRANAGAN

The Sophomore Girls' Hi-Y Club is held twice a month Thursday evenings from six-thirty until eight o'clock. The girls gather and all enter the dining room together. They select their places and a few girls volunteer to act as waitresses for the evening. After the girls are served, the Lord's Prayer is led by President Schmuide and all the girls join in. After dinner a short business meeting is conducted in which various matters pertaining to the club are discussed. Either social entertainment is given by the girls of the club at their meetings or some prominent speaker is procured for the evening.

Mrs. Cochrane who is head of all the Girls' Hi-Y's is a most unselfish leader. She has encouraged the Sophomore girls greatly. Because of the deficiency of members this club has been handicapped to a certain degree, but Mrs. Cochrane has expressed her desire to see it grow into a large organization. Under her influence no doubt it will succeed.

A Hi-Y camp is held every year at the Community Camp and the Sophomore girls had the largest percentage of members there last summer.

The activities of the club this year included a Christmas party at which gifts were exchanged, a sleigh ride party chaperoned by Miss MacLaren, and a Mothers' and Daughters' banquet given in February. A show starring Billie Dove in "The American Beauty" was sponsored at the Desmond to cover the expense of the Student picture.

On the whole it has been a successful year for the club and the girls have accomplished many things of value to themselves and to the school.

LATIN CLUB

WITH the opening meeting of the year, the Latin Club's enrollment proved to outdo all previous records with a membership of over one hundred students. At the first meeting officers for the year were elected.

<i>President</i>	-	-	-	-	-	KATHERINE LUZ
<i>Vice-President</i>	-	-	-	-	-	JAY PHILPOTT
<i>Secretary and Treasurer</i>	-	-	-	-	-	HELEN SULLIVAN
<i>General Program Chairman</i>	-	-	-	-	-	PEARL AVERY

Early in October a Roman movie "Spartacus" was sponsored by the club in the High School Auditorium. Proceeds from the movie went to the treasury with which the meetings for the year were financed.

Several interesting programs were given during the year, among which was "A Roman School," a play put on entirely by the boys of the club and which was very humorous and well done.

In return a Roman wedding was staged by the girl members. This was equally as good as the first play and met with great success.

As the year before, a Latin newspaper was published, edited by Betty Jones. This was a splendid project and met with all possible success. The money realized from the sale of the papers was turned over to the treasury.

Concluding the year's programs was the big event of the season—the Roman Banquet, given in June at which the Juniors entertained the Seniors in true Roman style. A Roman dinner was served by Roman slaves, and all present were attired in Roman dress. This dinner was indeed very delightful and enjoyed by all.

Much credit must be given to Miss Kellogg, Latin Club adviser, for her able assistance and untiring work.

LOUIS PASTEUR CLUB

THE Louis Pasteur Club was organized this year with the following officers elected last spring:

<i>President</i>	-	-	-	-	-	DONALDA MACMURCHY
<i>Secretary</i>	-	-	-	-	-	MONA WILSON
<i>Treasurer</i>	-	-	-	-	-	TOM MONROE
<i>Faculty Advisors</i>	-	-	-	-	-	MR. BLACK, MISS FRANKLIN, MISS ROWE, MR. MILLS

To be eligible to membership in this club you must be taking one of the science courses offered in the High School.

At the first meeting of the club the members went to the Federal Building where they were addressed by Mr. West. He explained weather phenomena in a very interesting talk.

At a later meeting, a movie of manufacture of automobiles was shown.

This club also sponsored an exhibition of how to properly use a telephone and how not to. This was very interesting and some very educational experiments were performed. A three reel picture was also shown at this time concerning long distance calling and the construction of a phone.

The Louis Pasteur Club fills a definite need in our school life. In classes we learn the mechanical part of our work, but there is little time for practical application of these principles. The work of the club is to relate our text book work to the modern work of science.

LE CERCLE FRANCAIS

LE CERCLE FRANCAIS started its third year with a fine staff of officers and an unusually large membership.

The purpose of Le Cercle Francais is to stimulate an interest in the French people, their customs and institutions. This year the club has enjoyed several fine talks by members of the faculty. Much credit for the success of the meetings is due to Eleanor Wonderlic, general chairman of all programs. Jay Philpott did some very good work in drawing up a constitution for the club.

Le Cercle Francais is again fostering correspondence with French pupils in France. This has proved in the past to be intensely popular and this year fifty-six new names and addresses were sent. Many pupils who started writing three years ago are still keeping up an interesting correspondence with their French friends and exchanging photographs and souvenirs. At the Christmas season the club wished to use their small surplus in the treasury for good works. As a New Year's gift they sent five dollars to a poor family in France.

To raise necessary funds the club this year sold tickets for the French moving picture, "Les Miserables."

At several meetings of Le Cercle Francais the members learned French folk songs. Other music was furnished by the French club orchestra with Ray Straffon as director and by members of the club who have vocal ability. Occasional dramatic selection were given, "Chez Une Modiste" being presented by the new members.

The officers for this year are:

DEAN DAVIS	-	-	President	VONALENE McLAREN	-	Secretary
ELEANOR WONDERLIC			Vice-President	WILLIAM WHITE	-	Treasurer
MISS EVERHAM	-	-			-	Advisor

SPANISH CLUB

SPANISH games and spelldowns have been the features of the regular monthly meetings of the Spanish Club. The meetings of the club are held the third Monday of each month.

At the beginning of the semester the club had a membership of, approximately, thirty members. When the new Spanish classes were organized in February, twenty new members were taken into the club. An "A" or "B" average in Spanish I or the completion of Spanish II, are the requirements for membership.

The club held many very enjoyable and instructive meetings during the year. A Christmas party was given in December. A small tree was gaily decorated and proved to be the feature of the evening's program.

A special musical program was held in January.

The March meeting was given over to special discussion on Spanish authors, various members of the club giving reports on their lives.

The boys of the club had charge of the April meeting. This was a very successful and entertaining affair and all present had a merry time.

The officers of the club were:

<i>President</i>	-	-	-	-	-	CHRIS. COUSER
<i>Vice-President</i>	-	-	-	-	-	BERNICE RONAN
<i>Secretary</i>	-	-	-	-	-	EARL SCHUCK

The faculty advisors for the club were Miss Rothman and Mrs. Lewis, both teachers of Spanish in the High School.

AXIOM CLUB

THE Axiom Club was first organized in September, nineteen hundred and twenty-six. The purpose of the club is to promote a greater interest in mathematics. It has its meetings on the second Monday of each month. Miss Meehan, Miss McCollom, and Mr. Jones are to be given much credit for the success of the club.

The officers this year were:

<i>President</i>	-	CLARE BEATTY	<i>Secretary</i>	-	BERNICE RONAN
<i>Vice-President</i>	-	KENNETH FROST	<i>Treasurer</i>	-	CHARLES KOHNERT

During the year many very interesting and educational lectures were given by some of the members and, also, by business men whose daily work requires the use of mathematics. At one meeting Mr. James O'Sullivan gave a very interesting talk on the "Value of Further Mathematics." He also gave the members some excellent views on the proposed Columbia River Dam project. Talks of this type give the students an idea how mathematics are used in problems of construction that we face each day.

The Club is divided into groups: Astronomy, Miss Meehan; House-planning, Mr. Draper; Miss McCollom and Mr. Jones also have a group. Judging from the number in the Astronomy group our mathematicians will all be gazing at the stars in the future.

The chief social event was the Christmas Party held at six o'clock, in the Cafeteria, on December the twentieth. A very pleasing dinner was served to the members. After the dinner an interesting entertainment was put on in the auditorium.

It is the wish of the graduating Seniors that the club will continue to be successful in the coming year.

SENIOR GIRLS' CLUB

THE Senior Girls' Club of which every senior girl is automatically a member has had a very successful year under the direction of Miss Franklin, Dean of Girls.

Every senior girl has a share in providing entertainment. There is a committee of nine girls which plans and carries out the program for each meeting. The names of the girls are drawn from a box and the first of each nine is the chairman of the committee.

The purpose of the club is to create a friendly feeling among the girls and also to be of service to the school.

The officers of the club are:

<i>President</i>	-	-	-	-	-	ELEANOR WONDERLIC
<i>Vice-President</i>	-	-	-	-	-	JUNE WHITEHEAD
<i>Secretary</i>	-	-	-	-	-	CLARA WILSON
<i>Treasurer</i>	-	-	-	-	-	ELEANOR KRENKE

This year the club has had several dinner meetings with entertainment afterward which has proved successful. At one of the dinner meetings a play was given "Close the Book" in which the following girls took part: Pauline Archer, Sheilagh Court, Margaret Kendrick, Vonalene MacLaren, Mona Wilson, Dorothy Moore and Gwendolyn Rose. The play, given under the direction of Miss Franklin, was a great success.

Dancing is also enjoyed at some of the meetings.

As this book goes to press it is planned to entertain our mothers in May and to have a picnic in June. These festivities will bring to a close one of the most successful years for the club.

BOYS' COUNCIL

THE Boys' Council is a school organization to benefit the school. This is the Council's second year in High School. When it started there were about twenty-five members and now the club has sixty-five, this showing its rapid development. The organization is taking the task of sponsoring the minor athletics of the school. They are also sponsoring a Tennis Tournament which will be held in the Spring. A new athletic sport has been added to the others, this being wrestling.

The Boys' Council held a party which they called the Fall Frolic. This was one of the best school parties held this year. The committees for this party worked hard to make it a big success. It was well attended by the students who enjoyed the dancing and music furnished by Don Preston's orchestra. The party was held in the Auditorium Ball Room which was beautifully decorated in Fall colors. Novelties were given and punch served during the course of the evening. The Council decided that this event would be an annual affair.

Another important event which the Council looks forward to is the Annual Easter or Spring Frolic. This will be held in April.

The chief advisor of the Council is Mr. Packard who gives his ideas and advice to the Club. It is through Mr. Packard's fine work that we are succeeding. The officers of the Boys' Council are:

<i>President</i>	- - - - -	CLARE BEATTY
<i>Vice-President</i>	- - - - -	NELSON MIRES
<i>Secretary and Treasurer</i>	- - - - -	DONALD PHILLIPS
<i>Commissioner of Social Activities</i>	- - - - -	KENNETH LINTON
<i>Commissioner of Drives and Campaigns</i>	- - - - -	LLOYD CASSIN
<i>Commissioner of Athletics</i>	- - - - -	WILLIAM WHITE

THE GIRLS' LEAGUE

THIS year has proved to be rather a revolutionary one for the Girls' League, as it has been entirely reorganized.

Several very important changes were made in the Constitution and in the ceremonies of the club. When a girl enters High School she automatically becomes a member of the League. This year the organization has been divided into three groups, Seniors, Juniors and Sophomores, each group acting separately. They earn their dues rather than collect them. The method of obtaining the dues is determined by the Council, which is composed of the officers, advisers, and one member from each group. An initiation ceremony was also adopted this year. In this the Candle-Light Service is used.

One of the biggest events for the club this year was the Annual Christmas Party which was given for the crippled children. The children were entertained at dinner and later were presented with toys.

At the commencement of the school year a party was held in the High School Auditorium to welcome the new girls. This was a very charming affair and all enjoyed themselves immensely.

The office of the Dean, Miss Franklin, was attractively redecorated and furnished by the girls of this League, a big undertaking, but a successful one.

Advisors for the Club this year were: Miss Franklin, Miss Marion Rowe, Miss McColl, Miss Laura Moore and Miss McLaren. The officers were:

<i>President</i>	-	-	-	-	-	DONALDA McMURCHY
<i>Vice-President</i>	-	-	-	-	-	MARGARET KENDRICK
<i>Secretary</i>	-	-	-	-	-	MARY THORNTON
<i>Treasurer</i>	-	-	-	-	-	LUCY WADSWORTH
<i>Publicity Agent</i>	-	-	-	-	-	HELEN WHITMORE

SENIOR SHORTHAND CLUB

THE Senior Shorthand Club of 1927-1928 was organized under the direction of Miss Geraldine Turner and Miss Maude Murphy. The following officers for the year were elected:

<i>President</i>	-	-	-	-	-	CADDIS LANGDON
<i>Vice-President</i>	-	-	-	-	-	MADELINE MONTGOMERY
<i>Secretary</i>	-	-	-	-	-	MINNIE WESTPHAL
<i>Treasurer</i>	-	-	-	-	-	CLARA WILSON

The meetings of the Club were held once a month after school. An entertainment committee consisting of two girls was appointed for each meeting by the President. It was the duty of this committee to see that no meeting passed without entertainment of some kind being provided.

The girls sold candy, ink remover and extracts and secured money to send students to take part in the Shorthand contest.

Eight members of the club comprised the cast of a two-act comedy, "His Butler's Wife" which was presented in the High School Auditorium.

The club planned an Alumni dinner at which they entertained the Shorthand Alumni.

The success of the club this year was due to the hearty co-operation of the members.

Music - Drama Debating

BOYS' GLEE CLUB

THE High School Boys' Glee Club was completely organized this year and is doing excellent work under the able direction of Miss Edna Fraser, Supervisor of Music in the city's public schools. The Glee Club has a membership of twenty-five.

The club is preparing for the annual Michigan State Music contest which will be held at Lapeer in May when the schools in this district will compete for honors. The winners will participate in the State Contest at Ann Arbor.

So enthusiastic is the Glee Club that it meets every morning at 8:00 o'clock to rehearse the contest numbers. These are "Songs My Mother Taught Me," by Dvorack and "As Rays of Setting Sun" by Caldara. There will be also three numbers to be used for an ensemble of all boys' glee clubs.

A "Ways and Means" Committee to make arrangements for financing the trip to the contests was appointed. This committee is to act in connection with a similar committee from the Girls' Glee Club. The members are: Norman Heeke, Raymond Straffon and Gordon Burrows.

Another committee consisting of Robert Baker, Harry Woodrow and Harry Wismer was appointed to suggest plans to carry out the school colors in uniform dress for the Glee Club.

The Clubs and orchestra expect to present a public program of the contest numbers previous to the tryouts.

Officers elected for this year are:

<i>President</i>	-	-	-	-	-	GORDON BURROWS
<i>Vice-President</i>	-	-	-	-	-	ROBERT BAKER
<i>Secretary and Treasurer</i>	-	-	-	-	-	RICHARD WOODWARD
<i>Librarian</i>	-	-	-	-	-	HARRY WISMER
<i>Pianist</i>	-	-	-	-	-	WILLIAM CAMERON

HONOR SOCIETY

THE Port Huron High School became a charter member of the National Honor Society of Secondary Schools, on December seventh, nineteen hundred and twenty-two.

The members are elected by the faculty and must rank in the upper one-fourth of their class. Not more than 15 per cent of the class, however, may be elected to the membership.

The qualifications for membership are based on scholarship, service, character, and leadership.

The object of the society is defined as follows: To create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character and scholarship in the pupils of P. H. H. S.

The members elected to the chapter in 1927 are:

HENRY ARNOLD	LUCILLE MACDONOUGH

ANNA DORWARD	VERA NEWBERRY
LEO DRAVELING	DOROTHEA NILES

ORCHESTRA

MANY interesting concerts were presented during the year by the Port Huron High School Orchestra under the excellent leadership of L. R. Challinor, director, and E. E. Straffon, assistant.

The Girls' Orchestra gave an unusual program at the First Congregational Church to raise money for the new uniforms worn to the May contest.

The Petit Symphony, String Quartet and Brass ensemble from the Orchestra played at dinner clubs and the school plays.

Opening numbers at the March meeting of the Port Huron Musicale were played by this High School Organization. A bassoon was given to the Orchestra at this time by the Port Huron Musicale.

Pictures of Walter Damrosch, Ossip Gabrilowitsch, Charles G. Dawes, John Phillip Sousa, Fritz Kreisler, Charles Wakefield Cadman, and Frederick Stock were presented to the Music Room by the Ladies' Library Association.

BAND

THE Port Huron High School Band with its forty-five members under the excellent training of L. R. Challinor, director, and E. E. Straffon, assistant-director, has become a most important factor in the school organizations in the past year.

This organization was selected over fifty other high school bands to officiate at the R. O. T. C. at Battle Creek in July and August.

In its dark-blue, gold trimmed uniforms with red capes the Band lead the Fall and Spring Opening Parades.

Two important concerts were given at the Ritz and Wesley Hall by this Organization during the year.

The following members have appeared as soloists on different occasions: Sherman Lee, Fred Nern, Raymond Straffon, Eldon Wonderlic, Charles Vroman, Don Phillips, and Don Preston.

We feel that the band is getting better and better all the time. With the new bassoon and sousaphone, the band takes its place on all important occasions as a real inspiration to the school.

GIRLS' GLEE CLUB

THE Glee Club was composed of twenty-seven girls. The club produced some excellent work under the leadership of Miss Fraser, and a great deal was accomplished. The class met second hour daily instead of three times a week as the clubs in the previous years had done. At the beginning of the second semester a "Ways and Means Committee" was appointed. Acting on the committee were: Chairman, Marion Henry; Katherine Knill and Jay Bowman. The purpose of the committee was to suggest and to secure ways for transportation to the district contest at Lapeer. P. H. H. S. pencils were sold by members of the combined Glee Clubs, a movie was sponsored and the club was able to bring to Port Huron one of the state's most notable Girls' Glee Clubs. The Hillsdale club gave a delightful and entertaining program consisting of vocal solos, violin selections, and a farce on the tragedy "Romeo and Juliet."

The mixed chorus was composed of members from the Glee Clubs and also those who had been enrolled in Miss Fraser's classes previous years. One of the outstanding features of the musical organizations this year was the perfect balance of parts.

<i>President</i>	-	-	-	-	-	-	ARVELLA MILLS
<i>Vice-President</i>	-	-	-	-	-	-	MARGARET KENDRICK
<i>Secretary and Treasurer</i>	-	-	-	-	-	-	DOROTHY KEMP
<i>Librarian</i>	-	-	-	-	-	-	KATHERINE KNILL

SCHOOL PLAY

"**D**ULCY," the all-high school play by George Kaufman and Marc Connelly, was presented February the twentieth at the Majestic Theater. It was a huge success dramatically as well as financially.

The play, a three-act comedy based on the many futile attempts of a wife to help her husband, created humor from beginning to end.

The cast included: Dulcinea, Pearl Avery; Gordon Smith, her husband, Fred George; William Parker, Fred Nern; C. Roger Forbes, Joe Geoffroy; Mrs. Forbes, Helen Davis; Angela Forbes, Jean Goseline; Schuyler Van Dyck, Kenneth Linton; Tom Sterrett, Granger Weil; Vincent Leach, Eldon Wonderlic; Blair Patterson, Robert Baker; and Henry, the butler, Jack Wittliff.

The play takes place in Westchester, a suburban town within hailing distance of New York. The Smith home is the scene of a week-end party. The guests at this party include practically all the members of the cast. The play centers around Dulcinea (Pearl Avery), who is always witty and good humored, and keeps the party in high spirits. During their stay at the Smiths' home, the guests become involved in experiences which are varied, thrilling and amusing. Will, Duley's brother, does not figure much in the plot until the very end. Angela, the attractive daughter of the Forbes', is the heroine of several love affairs. The way these turn out both delighted and surprised the audience.

Much credit is due Mr. L. A. Packard, who worked very hard for the success of the play and also to Mr. Martin Palmer, who had charge of lighting and the sale of tickets.

SENIOR PLAY

"MR. PIM PASSES BY," the delightful three act comedy by A. A. Milne, was presented by the Senior Class in May.

This play centers around the absent-minded, blundering Mr. Pim who mixes things up generally every time that he comes into the action. He creates a great deal of humor throughout the comedy.

George, a conservative English bachelor, and very aristocratic, is married to Olivia, a fascinating lady who twists him about her little finger with a minimum of effort. He is her second husband, the first having been the scandal of the family.

Brian, a futuristic painter, but a thoroughly likeable young chap, is engaged to Dinah, George's niece and ward, but George says Brian's mind is topsy turvy and his morals likewise.

Olivia, however, with the unconscious assistance of Mr. Pim puts everything to rights in a series of mirth provoking moves.

Mr. Pim has a last line of dialogue but the curtain drops before he can do any more damage.

The cast includes: Carraway Pim, Chris. Couser; Dinah Marden, Beryl Kehrner; Olivia Marden, Pearl Avery; George Marden, J. P., Dean Davis; Lady Marden, Dorothy Moore; Brian Stranger, Anson Stacey; and Anne, the maid, Betty Hagen.

The play was coached by Mr. Palmer, our new public speaking teacher. The success of the play is due to his efforts.

The proceeds of the play helped to pay for the semi-leather covers on "The Student."

DEBATING CLUB

THIS year, for the first time in several years, Port Huron High School secured a membership in the Michigan State Debating League and the following students volunteered for debating: Frances Maxson, Lucy Wadsworth, Virginia Teeple, James Ottaway, Arthur Denkelberg and Jay Philpott. Mr. Martin F. Palmer, public speaking teacher, coached the debaters. The question for debate this year was: "Resolved, That the direct primary system of nominating public officers should be abolished." Port Huron defended each side of the question twice.

HIGHLAND PARK VS. PORT HURON

The first debate of the year was held in Port Huron on Friday, November 18, 1927, with the home team consisting of Jay Philpott, Frances Maxson and James Ottaway defending the affirmative. Superintendent H. A. Davis acted as chairman and Arthur Denkelberg as timekeeper. Although all the Port Huron speakers were inexperienced, the judges gave a 2-1 decision in their favor. The chief strength of the Port Huron team lay in superior arguments, while Highland Park's speakers were undoubtedly superior in delivery.

Other scores were:

Pontiac	-	-	-	-	2	Port Huron	-	-	-	1
Birmingham	-	-	-	-	2	Port Huron	-	-	-	1
Flint	-	-	-	-	3	Port Huron	-	-	-	0

It is hoped that next year more students will take an interest in debating. Besides a thorough knowledge of the primary system, the debaters acquired valuable training and practice in Public Speaking.

Cider and doughnuts were served as refreshments.

SENIOR-SOPHOMORE PARTY

THE annual Senior-Sophomore party was held Friday, November 4, at the Washington Junior High School Gym. The gym was prettily decorated in the class colors.

The guests danced to music furnished by Don Preston and his orchestra.

Punch was served at the intermission.

GIRLS' LEAGUE PARTY FOR NEW GIRLS

THE members of the Girls' League entertained the new girls of the school in the High School Auditorium, Thursday, November 17. The members and guests enjoyed dancing to music by an orchestra under the direction of Wilson Montgomery from seven until eleven.

Punch was served during the course of the evening.

BOYS' COUNCIL PARTY

THE Boys' Council entertained at a dance in the Auditorium December 16. Music was furnished by Don Preston and his orchestra. Serpentine and horns were the favors given to the guests.

GIRLS' LEAGUE CHILDREN'S PARTY

ON December 21 the Girls' League gave their annual Christmas Party for small children. Fifty children were entertained by playing "Drop the Hankie" and "Farmer in the Dell." These games were also amusing for the older girls. Santa Claus brought gifts and a bag of candy to each child.

After lunch was served to the children in the cafeteria they were taken home by the members of the club.

SENIOR GIRLS' HI-Y SLEIGHRIDE

THE Senior Girls' Hi-Y had a sleighride party Wednesday, February 1 "for girls only." The sleigh left the "Y" at seven-thirty and the girls had a two hour ride. They returned to the home of Mrs. Ralph Cochrane for refreshments, which were prepared by the Alumni girls.

SENIOR GIRLS' HI-Y MOTHER AND DAUGHTER BANQUET

FEBRUARY 8 was the date chosen by the Senior Girls' Hi-Y to entertain their mothers. The dinner was held at the "Y" which was gaily decorated in keeping with the Valentine season in red and white. Streamers of hearts were suspended from the lights, while red tapers, red brackets, and hearts were the decorations for the table.

Mrs. E. J. Ottaway gave a most interesting talk which deeply impressed every girl. Musical numbers and toasts were given by members of the club.

GIRLS' HI-Y PARTY

ON Saturday, February 18, the Senior, Sophomore, Alumni, and Junior Girls' Hi-Y's entertained at a dance in the "Y" gym. Music was furnished by the Melody Makers from eight until eleven.

FOOTBALL BANQUET

ANOTHER notable social event (for the boys, at least) was the football banquet held at the Harrington Hotel in January. The especial features of the evening were speeches given by Jack Blott, Bill Heston, and Coach Tad Wieman of the University of Michigan. Letters were presented to our football players by Mr. Packard. During the evening, several very pleasing selections were played by the High School orchestra. This banquet was sponsored by the St. Clair U. of M. Alumni Association. Those who acted upon the program committee were Mr. Ottaway, Dr. Morden, Mr. Goldman and Mr. Telfer.

HUMOR

Mrs. Keher: "That was greedy of you, Beryl, to eat your little sister's share of pie."

Beryl: "You told me, Mother, I was always to take her part."

Katherine Knill: "Do you use butter knives at your house?"

Dot Johnson: "No, but don't tell—you know how those things spread."

Phillips (down in Detroit): "What's the quickest way to the emergency hospital?"

Cop: "Just stand right where you are."

Father Linton: "Where's Kenneth?"

Mother: "You'll really have to speak to that boy—he's been flying back and forth across the Atlantic all afternoon."

Scene at Hi-Y (Bob is waiter).

Carl Fenner: "Coffee, please."

Bob Baker: "How'll you have it, too hot or too cold?"

Big Bill Montgomery: "Say, Coach, I want bigger shoes."

"Those fit, why do you want bigger ones?"

"So I can cover more ground in the same amount of time."

"Oh, where is our little Nell?"

"She's out in the woods playing with bars."

"Won't the bars hurt our little Nell?"

"No, she has a bicycle and knows how to handle bars."

Hortense Rowe (trying out new restaurant): "Waiter, are you hard of hearing?"

"Possibly, madam, possibly."

"I thought so. I asked for liver; not leather."

HOW IT HAPPENED

First Soldier: "Sit down—you're rocking the boat."

Geo. Washington: "Can't."

Seventh Soldier: "Why not?"

Geo.: "My pants are too tight."

So they painted him standing up.

Clare Beatty (at some refined social dance): "I beg your pardon, but I didn't get the name. (laughingly) It sounded like Guggenshlocker."

Demure thing: "It is."

POPULAR SONG HIT

"Don't cry, little boy, because you lost your handkerchief—the wind will blow your nose."

Geo. Hathaway: "What is usually done with the holes in doughnuts?"

L. Moffet: "They are used to stuff macaroni."

O'Dell (the quarterback): "Listen, I've got a little play up my sleeve."

Steinborn (the halfback): "That's nothing. I've got a big run in my stocking."

Elizabeth Johnson: "I can't remember the words of that new song."

Margaret Lassen: "That makes it easier, now forget the tune and make us all happy."

Mother Luz: "How did you like the show?"

Katherine: "Oh, they gypped us. We saw it four times and the last time they left out five or six slides."

Freddie was always jealous—No wonder, then, that when he heard the Mt. Clemens quarterback sing out "1-7-2-4," he leaped through the line and strangled him. (It was his girl's telephone number.)

He was an iron-worker riveting on the 35th floor of the new sky-scraper, and as iron workers are apt to do once in their life, he slipped from the top-most steel girder. Down he shot, amid the screams and shouts of the people on the streets: one hundred, two hundred, three hundred feet—another instant he would be dashed to pieces. But he was *not* killed; with his great presence of mind he caught his breath and held on.

Jeanne Goseline (very sweetly): "Please tell me your story, ancient mariner."

Joe Geoffroy: "Well once we were stranded and had to eat our belt and shoes to live."

(More sweetly): "No?"

Joe: "Yeah, and then the boat turned turtle and we had to live on that for a week."

How To Do It

Harry Wismer glanced quickly at his watch, grabbed his bag and rushed out on the station platform. The effect on the other travelers was all that could be desired. They also picked up their luggage and ran. Shortly afterwards Harry returned and picked out the best seat in the station and sat down to wait for the train which was not due for thirty minutes. Oh, you *can't* fool those *Wismers*.

Fred George (during rehearsal): "Do I need a hair-cut?"

Pearl Avery: "Oh, that's it—I thought you had a fur cap on."

Rhetoric Prof. (To Archie Cowan): "What's the matter, don't you know the question?"

Archie: "Sure—but I don't know the answer."

Prof. (at the U. of M. next year): "Why did you come to college, Mr. Stacey?"

Same old Anson: "I came for the rest."

"The rest of what?"

"The rest of the old man's money."

"That's what comes of being so attractive," sighed Jane Mahon as she was hit with lightning.

Jeanne MacVicar: "Did you have a date at the basket-ball game?"

Jane: "Yeah—who won?"

Bill Thompson: "Oh, she's not as old as that."

Gordon Burrows: "Why, that woman remembers the big dipper when it was just a drinking cup."

Hick Dean: "I'll beat you to a Jelly."

Brownie Woodward: "What Flavor?"

Dean Davis: "I am going to pay you back the money I owe you in a few weeks."

Chuck Vroman: "Why, you don't owe me anything."

Dean: "I will in a few minutes."

G. Relkin: "Gee, Eldon! This ginger ale tastes funny."

E. Wonderlic: "It's pale ginger ale."

Jerry: "I guess they forgot to clean the pail."

Eleanor Welsh: "Why the strange expression on your face, dear?"

Sally Sullivan: "Well, er, er, I was thinking a little, dear."

Bob Baker (the sponger): "Say, old man, let me have a fiver will you? I'll let you have it back by the end of June."

Don Phillips: "What year?"

Pud Wood: "You must come over and dine with us tomorrow night."

Kay Luz: "I'm sorry I can't, I'm going to see Hamlet."

Pud: "Oh, that's all right—Bring him along with you."
